Group Expectations -

Punctuality -

- be ready for meetings within 5 minutes of start time
- all meetings must be attended or provide reasonable notice if absent

Procedural -

- have all prep work done before the group meeting
- have all agreed upon work done before deadline
- all groups members may provide constructive kind feedback on work
- work may be redistributed if work was unintentionally distributed
- work distributions will be decided as a group

Communication -

- members must be able to respond to messages within 24 hours or earlier to maintain the course of the project
- during the meeting, we must stay on schedule and hold each other accountable for distractions or missed work in a respectful way
- take time to listen to each other and time to share ideas

Behavioural -

- we must treat each other with respect, kindness, and patience
- no offensive comments or aggressive behaviour will be tolerated

Breach of contract -

If contract is breached we will abide to the following procedure

- 1) One group member addresses the other about the breach of contract in a respectful way and attempt to come to a resolution
- 2) The whole group addresses the member about the breach of contract in a respectful way and attempt to come to a resolution
- 3) The group contacts the instructor for help meditating the situation as a last resort

Group Grades -

If there are any conflicts or concerns during the project period, the group can discuss this matter further
